

## **KCHIP: All the Coverage Kids Need**

From heads to toes. Tummies to knees. Eyes to ears. All covered, through all of childhood, for all kids.

The Kentucky Children's Health Insurance Program (KCHIP) is all that you need – and it's there for a whole lot of medical needs.

KCHIP covers services like well-care checks and immunizations, doctor's and dental visits, speech and physical therapy, mental health services, glasses and vision care, hospital stays, prescriptions, and much more. It's all essential for children's whole health care. And it's all covered by KCHIP.
